## Spelling Unit 24

Fix the errors in these sentences. Cross out the incorrect spellings and write the whole word correctly above. There are twenty-two spelling errors. They will be on your review.

The old king's hart stopped, and he died. The deceased king left a will. In it their was a plan to determine the future king. He asked that his two sons race one anoother on horseback to the river, a distanse of twenty miles. The one whose horse finished last would be the next king. On the first day of the race, the brothers set on there horses riding as slowly as possable. It was allmost dark when they finally stopped at an inn for the night. This was not a reel race and they were quiet discouraged. When they told the innkeeper the problem, he thot for no more then a minute. Than he said, "I have an idae. It's simpel." He gave them two words of advice, which they chose to take.

Erly the next mourning in rainy weather, the brothers mounted horses. The innkeeper watched as they folloued the road towerd the river, allthough this time things were diffrent. They went as fast as the horses would go. What did the innkeeper advise them to do?

What do you think the innkeeper advised them to do? \_\_\_\_\_
